## Ubuntu Camp

Dear Patrol Leaders and Scouters

It gives me great pleasure to invite you to the 1st Ubuntu Camp for 2023.

The aim of camp is to learn from each other and have fun in the true spirit of Ubuntu. Each patrol/troop will have the opportunity to plan their own program, while having the option to join in on activities from the main camp program below.

Along with learning from each other, the camp is also a great opportunity for scouts to run patrol camps (E.g. First-Class Camp) in a safe learning environment under the guidance of experienced warranted male and female scouters. If you would like to use the Ubuntu Camp for your 1st Class Camp, please contact me directly to discuss the requirements set by our examiners.
